You can go to any lender you want. Hawaiian Island Homes Ltd. (“HIHL”) is providing this list of lenders that our agents have worked with and who are familiar with lease-to-fee conversions. This is not a recommended list and is not a complete list of all lenders, and you should check with whichever lender you want. You should start checking immediately.

Each lessee must decide when to apply for financing. You should find the lender you wish to use and take your lender’s suggestion on when to apply. HIHL will let you know when the lessor’s conditions to closing have been satisfied or waived.

If you apply now, you should make sure your lender is giving you a long term commitment that will not be subject to monthly extension fees should there be a delay.
